Pursuant to the communication of deficiencies you have filed an appeal for reconsideration and the University reviewed the same or re-inspection was conducted. Based on the above, the University has granted affiliation to the following UG and PG courses for the A.Y. 2019-20:

S.No	Name of the Course	Intake
1.	B.Tech - Civil Engineering	120
2.	B.Tech - CSE	180
3.	B.Tech - ECE	120

\* In case, Ph.D qualified faculty members requirement is not met for the proposed intake, then the proposed intake is reduced proportionately as per the Ph.D possessing faculty members.

# In case, the admitted intake is less than 25% of the JNTUH sanctioned intake in any of the applied courses in all the previous three years but the admitted intake is at least 10 or above in one of the previous three years, then such courses are considered for affiliation with a minimum intake of 60, provided they meet other requirements as per norms. However, the faculty requirement is calculated based on sanctioned intake only.

## Due to non- availability of Principal for the majority period during the Academic year 2018-19, the intake is reduced

to 50% of the normal JNTUH sanctioned intake (subject to a maximum of 60) in the course having highest sanctioned intake and also having least admissions during previous Academic Years.

Further, the University is not inclined to grant affiliation for the remaining courses indicated in annexure due to any of the following reasons:

I) a. Principal/Faculty members deficiency such as

1. Principal / Faculty members not qualified as per AICTE norms.
2. No Principal / Faculty - Student ratio is less than required as per the norms.
3. No Valid SCM.
4. Lack of identity proof of faculty member such as valid PAN Card/ Aadhaar Card of the faculty member (for the verification of faculty member particulars).
5. Lack of proof of payment of salary particulars for existing staff (Bank statement including TDS particulars).
6. Blacklisted/ Multiple registrations.
7. Not satisfying biometric attendance criteria.

b. Laboratory deficiency

1. Non availability / Non working condition of laboratory equipment.
2. Lack of all supporting documents for laboratory equipment.
3. Non - Fulfilment of the additional laboratory requirement.

II) As per clause: 3.30 of affiliation regulations 2019-20.

III) No admission status in the courses due to no classwork going on / acute faculty shortage / lab equipment shortage during surprise inspection.

The above are essential for imparting Quality Technical Education.

This affiliation is granted based on the continuous availability of faculty members shown in A-419, any mobility of such faculty members should be as per due procedure & shall be informed to DUAAC on a monthly basis. In case it is found at any later / future point of time, that these faculty are not available, the Institution is liable for punitive action as per the affiliation regulations.

You are directed to install handheld biometric system and CC cameras to record staff (if not implemented BAS) and student attendance particulars and communicate to the University on a daily basis.

It is further stated, that the University reserves its right to make further re-inspection at any time for satisfaction of the existing essential academic requirements in particular with regard to Laboratory and Faculty members in your college. If the University is not satisfied regarding the essential requirements, the affiliation may be cancelled.

The annexure contained along with this letter may be read as a part of this letter.
