Ranga Reddy, Telangana, Indi 501506, India 08/October/2020 11:15am

Awareness Program on “Women Safety” was conducted on 08/October/2020. Respected Principal Sir addressed the meeting and spoke about Women safety in India is widely discussed everywhere nowadays. It has now become a major issue. Women’s life is endangered due to violence and discrimination and kept them away from participating in any social activity. Women showed their talent in every sector from the taxi driver to the CEO of multinational corporate companies. They should admit that she has set foot on the moon too. Kalpana Chawala, the first Indian woman astronaut stepping on the moon, became a role model for not only women around the world but also all other men who desire to be astronauts. She became an inspiration in front of the whole world.
