DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

A Two Day National Level Workshop on “Artificial Intelligence and Augmented Reality”

EVENT REPORT

Department of Computer Science and Engineering, Guru Nanak Institute of Technology has successfully organized two day National level workshop on “Artificial Intelligence and Augmented Reality” on 28th July & 29th July 2017.

Honorable Chairman Sardar T.S. Kohli, and Principal Prof. (Dr) S.Sreenatha Reddy inaugurated the workshop. Eminent guests from industry like Dr. Srinivas Padmanabhuni, Co- Founder & CEO of "Tarah Technologies, Associate Vice President Research at Infosys, India", and Dr. Vigneshwaran.T, Founder & CEO, Nanda Infotech, Coimbatore, India shared their expertise. This workshop was organized to create awareness about Knowledge representation & Expert Systems and Augmented Reality. Dr. Srinivas Padmanabhuni delivered a session on Knowledge representation & Expert Systems on the first day. While on second day Dr. Vigneshwaran.T, Founder & CEO, Nanda infotech discussed Augmented Reality. Faculty members and students from various institutes also present for the workshop on both days. The overall management of the workshop was completed under the guidance of Dr. D. Stalin Alex and Dr. S Deepa Jothi and coordinated by workshop coordinator K.Anbhazagan and all faculty members of CSE Department.

About the workshop

This workshop is specifically designed to provide the right knowledge to the aspiring Expert systems enthusiasts. This workshop is promising to be the next generation disruption in every walk of business. With a view to empowering students, this session will impart the skills, also get a curtain raiser for Artificial Intelligence. Augmented Reality is a recent technology that brings components of the digital world into a person's perception of the real world..
