DEPARTMENT OF INFORMATION TECHNOLOGY

A Two Day National Level Workshop on “Cloud Computing ”

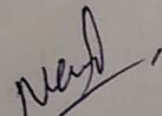

EVENT REPORT

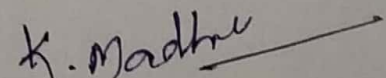

Department of Information Technology, Guru Nanak Institute of Technology has successfully organized two day National workshop on “Cloud Computing” on 16th February & 17th February, 2017.

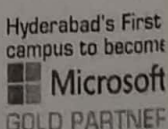

Honorable Chairman Sardar T.S. Kohli, and Principal Prof. (Dr.) S.Sreenatha Reddy inaugurated the function. Eminent guests from industry like Mr. Kiran, Project Manager, Polaris, Hyderabad and Eminent guests from academic field Prof. Naveen Kumar Pragathi Institute of Technology, Hyderabad shared their expertise. This workshop was organized to create awareness about Cloud Computing . Prof. Naveen Kumar Pragathi Institute of Technology, Hyderabad delivered a session on cloud computing architecture on the first day. While on second day Mr. Kiran, Project Manager, Polaris, Hyderabad discussed Cloud Management and Challenges. Faculty members and students from various institutes also present for the workshop on both days. The overall management of the workshop was completed under the guidance of Dr. K. Madhusudana and coordinated by workshop coordinator K. Annapurna, M.Naresh and all faculty members of Information Technology Department.

About the workshop

Cloud Computing is a phrase used to describe a variety of computing concepts that involve a large number of computers connected through a real time communication network such as the internet. In science , cloud computing is a synonym for distributed computing over network and means of the ability to run a program or application on many connected computers at the same time.
