BRIEF REPORT ON AWARENESS ON USE OF HELMETS

NSS Cell of GNIT organized a talk on “Awareness on Use of Helmets” on 30.03.2015. The talk was delivered by Md. Adil Akhter and Mr. G. Srinivas Traffic Inspector (Training) of Hyderabad Police. More than 500 Students attended this program in the Indoor auditorium. In their talk, they have shown some videos regarding the violation of traffic rules and those results. Sadly, our curriculum lacks sufficient exposure to Traffic and Road Safety aspects, due to which, the students, who are the future citizens, fail to develop an understanding about the discipline and civic responsibility required while driving or walking on the roads. India loses 1.4 lakh lives every year in road accidents which is a great loss to the nation and families of victims. 80 Volunteers and 5 committee members were present in the occasion.

So, they advised all of them to follow the traffic rules as well as to take safety precautions while driving vehicles, especially two wheelers should wear the helmets while driving.
