

MEMORANDUM OF UNDERSTANDING

This memorandum of understanding is made and entered into on the 15/2/2019

Between

Guru Nanak Institute of Technology is having office at Ibrahimpatnam, R. R. Dist, Telangana, India, hereinafter called Party of the First Part (which expression whenever the context so requires or permits, shall mean and include successors in office and assignees)

And

Education Matters, an overseas education consultancy, with its Head office at Second Floor, High Tower, 40-A Nungambakkam High Road, Chennai-600 034, hereinafter called the Party of the Second Part (which expression whenever the context so requires or permits, shall mean and include successors in office and assignees).

And whereas

The party of the first part is a school/ college/ university in India and focuses primarily on imparting education.

And Whereas

The party of the second part "Education Matters" works as an international education consulting company, with their head office in Chennai and branch offices in Hyderabad. Education Matters partnership with international universities, offers students from the region a free of cost one stop service to pursue higher education internationally.

And Whereas

The management at Education Matters seeks supports of the first party in

1. Assisting students of their institutions with admission counseling and application processing to study internationally.
2. Providing a platform for interaction between Indian and International education providers on a not for profit basis.
3. Contributing to the competitiveness of higher education sector in India and assisting the sector in moving towards a global bench mark.

It is hereby mutually agreed to by both parties to work in partnership to support the above causes.

Education Matters seek the following support from your school/college

- Conduct of a seminar/ counseling session for your students on overseas education opportunities.
- Provide a list of students from your institution interested in studying overseas.
- Encourage your students to participate in the overseas education fairs to be conducted by 'Education Matters'
- Conduct "Global Education Fair" on campus on a rotation basis
- Infrastructure to establish a study abroad library on campus and provided admission counseling services to students on campus at regular and mutually agreed schedules.
- Coordinate student participation for counseling sessions

Financial Terms

- Education Matters will not charge the students for any admission counseling or application processing services.
- A list of students admitted and enrolled at international institutions through the services of Education Matters, will be provided in November and March every year.

Both parties hereby agree that the terms and conditions for the above individual activities shall be mutually agreed and reviewed and updated from time to time.

This Agreement will be in force until either party revokes it in writing. This agreement shall become effective from today, the 15/2/ 2019 upon signing of this Agreement.
