GNIT **GURU NANAK**
INSTITUTE OF TECHNOLOGY
(Approved by AICTE New Delhi, Affiliated to JNTU Hyderabad) Campus: Hyderabad, R.K. Road - 500095

CORE VALUES

Technology based Education:
In addition to the classroom teachings, GNIT strives to add state-of-the-art education technologies every year for the benefit of the faculty and students for effective teaching, learning, assessment and evaluation to make them future-ready.

Industry Interaction:
GNIT aims for a strong industry connect through domain expertise and best-practices-sharing for curriculum design, training of the faculty and students, consultancy activities, joint publications and industry based research projects.

Integrity:
At GNIT we believe in doing things right when no one is watching.

Excellence:
Commitment to continuous improvement and innovation in Teaching, Learning, research and extension.

Team Work:
We encourage teamwork environment where each member of the Institution can contribute by offering valuable suggestions for the overall improvement.

Professionalism:
We provide quality education in different domains of Engineering and Management by means of nurturing the competencies of our students and faculty members. The member's exhibit pride in upholding commitment, professional code of conduct and ethical values that set benchmarks for professional excellence.

Research & Collaboration:
We provide a conducive environment that provides opportunities for the students and faculty members to contribute towards the continuous improvement in teaching- learning, research and innovation in collaboration with one another within and outside the institute including industry.
